## OFFER SHEET

<b>Model No.</b>	<b>GF4+ cargo tray</b>	<b>4-seater+cargo tray</b>	<b>4seater on the front, cargo tray on the back</b>
<b>Validation</b>	<b>30 days</b>		
<b>Payment Terms</b>	<b>50% T/T in advance, 50% T/T balance before delivery</b>	<b>Lead Time:</b>	<b>20 working days after receiving advance payment</b>
<b>Loading quantity</b>	<b>4+tray, 4pcs/20GP,</b>		
<b>Power</b>			
<b>Motor</b>	AC 48V 5KW High efficiency		
<b>Horsepower</b>	7HP(5000W)		
<b>Drive System</b>			
<b>Rear Axle</b>	High efficiency gear drive, differential ratio 12.31:1, maintenance-free rear axle		
<b>Battery</b>	51.2V150Ah Lithium battery(LFP type)		
<b>Body Chassis</b>			
<b>Chassis</b>	Q355 steel frame stamping, welding molding, integral electrophoresis, outdoor epoxy + automobile grade protective armor paint		
<b>Body</b>	Ultralight special heat injection molding PP material, performance equivalent to the same level of car bumper split design anti-collision aging resistance		
<b>Electrical System</b>			
<b>Controller</b>	350A AC controller,CMOS continuously variable speed system		
<b>Accelerator</b>	Aluminum alloy all-in-one accelerator pedal, Hall-type acceleration system		
<b>Suspension System</b>			
<b>Suspension</b>	Macpherson independent suspension Rear suspension: tow suspension.		
<b>Brake</b>	Vehicle: oil brake front wheel disc brake + rear wheel drum brake + foot park brake		
<b>Steering</b>	Two-stage rack and pinion steering, meter		
<b>Tyre、Seat</b>			
<b>Tyres</b>	23*10.5-14, 4ply, off-road enlarged and widened tires + 14-inch aluminum alloy rims (more stable and more wear-resistant)		
<b>Seat</b>	PU+sponge foam technology seat sofa, anti-fouling and anti-aging		
<b>Standard Configuration</b>			
<b>Dashboard</b>	10-inch large-screen central control instrument, cigarette lighter, dual-port USB, ignition switch, direction selector switch, spot light switch		
<b>Car stereo</b>	two round stereos for loud speaker		
<b>Windshield</b>	folding windshield,		
<b>Front basket</b>	front basket		

Bumper	off-road front metal bumper
Mirrors	side mirrors, inner mirror

### Technical Specification

Ground clearance	170mm	Min. turning radius	4m
Front/Rear wheel track	965/968mm	Max. Speed	30-40km/h
Front/Rear wheelbase	1670mm	Loading capacity	500kg
Lihtium Battery	48v 150ah	Gradeability	30%
Net weight	780kg	Mileage range	90-100km
Brake distance	3m	Charging time	8-10 hour

内部深度为220mm
